Getting to and around **Hagley Oval**

63 Riccarton Ave, Christchurch Central, 8024
03 339 3599 | info@vbase.co.nz

If you are attending cricket at Hagley Oval, always allow more time than you expect to get to and from the venue and aim to arrive at least 45 minutes before the start of the game. Traffic congestion can be heavy for the majority of cricket events, particularly during peak commuter travel times around the City Centre. To check to see if there is a Traffic Management Plan in place for an event, visit www.transportforchristchurch.govt.nz

If attending Cricket events, there is no parking available at the Horticultural Hall. Metered parking is available on Riccarton Ave and surrounding streets.

For private events at the Pavilion, there is limited public parking on site, shared with the Horticultural Hall, however space is subject to availability. There is also a public car park located off Riccarton Ave where parking is available for 180 minutes, 0800 – 1800 Monday to Friday. This area is patrolled by wardens and parking in limit and available on a first in first served basis.

We recommend car pooling or parking in nearby, well-lit streets. Contact Canterbury Cricket for information regarding Domestic matches, and Black Caps for information regarding international matches.

Disability Parking is available in the main carpark closest to the Pavilion. Only vehicles with the appropriate Mobility Pass should park in these areas.

Metro Bus Stops are located on Riccarton Ave. Numbers 83 (Hei Hei), 23 (Hyde Park/ Woolston), 81 (Lincoln) and 84 (Russley) stop nearby. Visit www.metroinfo.org.nz for more information and timetables.

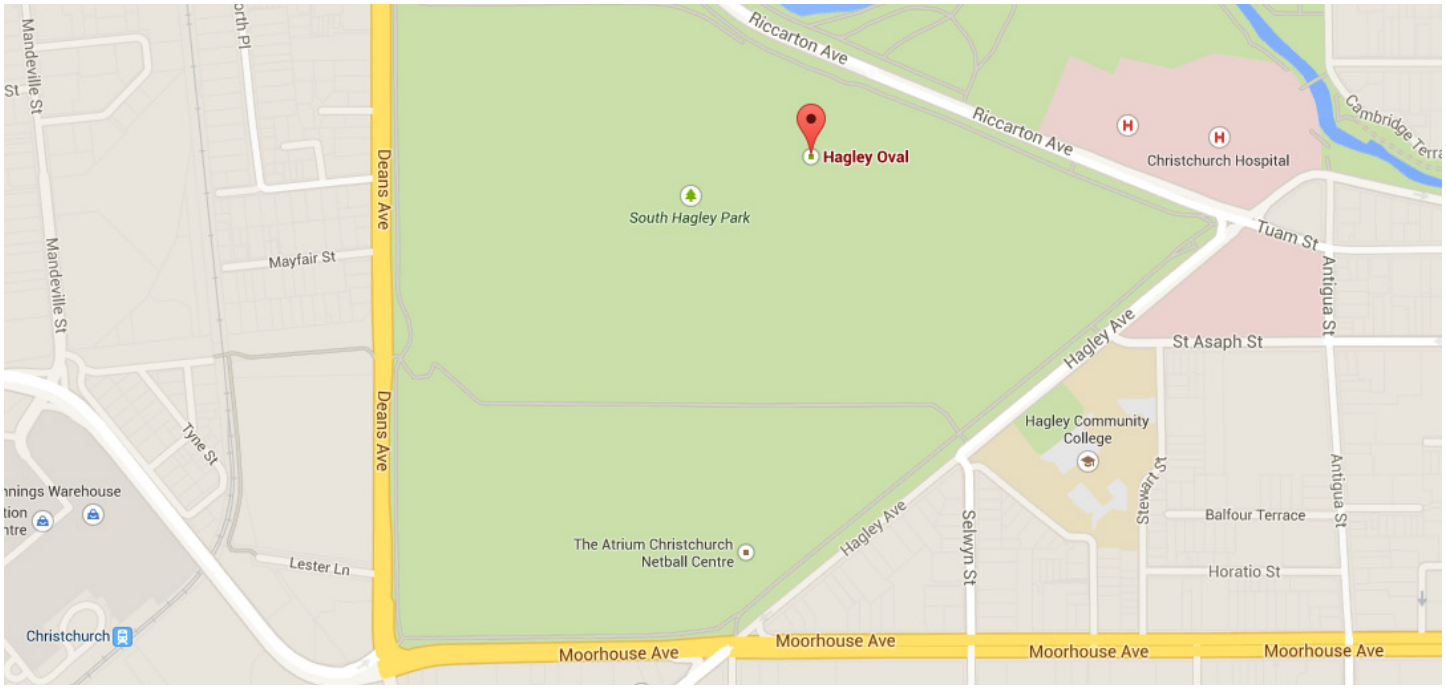

Taxis are generally welcome to drop you off within the Hagley Oval carpark, though due to traffic congestion, we would recommend they do so on Riccarton Ave. If you require a taxi pick up post event we recommend you book this well in advance as taxis can be in high demand around events.

Pedestrian access is available from all points of entry in to the area. Please stay on footpaths and sides of roads for your safety and that of others.
